Dear Resident, July 9, 2026

Scheduled Mosquito Spraying

Village wide mosquito spraying began on May 26, 2026, and will continue every two weeks on Tuesday evenings throughout the summer season.

Reminder to Clean Up After Pets

We would like to give a friendly reminder to clean up after pets when walking pets in the village. This will make a much more pleasant experience for all those using the sidewalks and parks within the village. Thank you for your cooperation.

Progress in Lodi

I am very pleased to report that the village has recently completed the Church Street resurfacing project. An OPWC Small Government Grant was received in the amount of $56,383 which covered 45% of the project costs.

I am also very pleased to report that the village has received a grant in the amount of $499,000 from the OPWC Small Government application that will go towards the Bank Street, Wooster Street, Harris Street, and Lee Drive waterline replacement project. This project will replace very old water lines and will be a significant improvement for our community. The project is anticipated to begin later this summer. I will keep you posted regarding construction timelines.

I will also keep you posted regarding additional grant awards received from other applications that have been submitted for village projects. We continue to strive to obtain project grants to benefit our residents by reducing the costs of needed projects. We have made and continue to make tremendous progress towards positive changes in our village.

Notice for the Filling of Swimming Pools

Please be advised that the village can no longer accept manual water meter readings taken by residents when filling swimming pools. Electronic radio read meters have been installed in the village and any water meter readings will need to be taken electronically by a village water department employee. A reading needs to be taken before and after filling your swimming pool with water. The village water department will take all beginning pool readings on Tuesday mornings at approximately 10:00 a.m. and all ending readings on Thursday mornings at approximately 10:00 a.m. Please plan ahead to fill your pool between Tuesday and Thursday mornings. You must call village offices at 330-948-2040 by 2:00 p.m. on Monday to be put on the schedule for that particular week. Sewer credit is only available if proper meter readings are taken by a village employee and the total water usage for filling the pool is over 2,000 gallons. Manual readings from residents cannot be accepted.

Trash Pickup

Rumpke is requesting that all residents have their trash at the curb by 7 AM on trash day (Tuesday). **Please don't place your trash at the curb any earlier than 12:00 noon on the day before pick up day (Monday unless on holiday schedule), according to village**

regulations. All trash receptacles must be removed from the tree lawn area and returned to their regular storage area not later than 24 hours after the trash is collected. Please make sure your trash is bagged (and tied). You may also place bagged trash in trash cans. If animals disturb your trash bags, please clean up any mess before the trash truck arrives. All wood and branches must be bundled. Thank you for your cooperation.

Rumpke Regulations – Bulk items will be collected on your regular collection day. To schedule a bulk item pickup, call Rumpke 24 hours in advance at 1-800-828-8171. Upholstered furniture including mattresses need to be covered in plastic.

Online Bill Pay

The online bill pay portal is available through our website at **www.villageoflodi.com**. Please log on to the website and click on Utility Online Bill Pay at the top of the front page. **Once you have clicked on Utility Online Bill Pay, please make sure you are using the link for Invoice Cloud. If you pay your bill through any other service, it will not be directly linked to your utility account in our billing system.** This link will direct you to the portal you may use to pay your utility bill. Those who wish to pay their bill online will have many payment options available to them. The directions are very easy to follow, and we hope you find this feature very useful. By registering you have access to a set of benefits that give you more control over your bill payment experience. You may also make a payment by phone, or you can check your account balance 24/7 with our automated phone service. Call (855) 939-1478.
